

# 2010 Women Build

Women Build 2009 was a great success as it was our first year starting a Women Build program in over 5 years! We helped with Charleston Habitat for Humanity's first home repair project in North Charleston. Next year, we look forward to planning a Women Build project that will be even more of a success! One of our goals is to have more women involved in the project- the week leading up to Mother's Day (May 1-8, 2010). We are in the process of forming a **Women Build Leadership Team** that not only volunteers during Women Build Week, but also helps to co-sponsor a house for a qualifying Habitat partner family! If each woman build leader raises \$500.00, we would reach our goal! We will work together as a team to reach this goal by meeting monthly to brainstorm ideas for fundraising and events, come up with creative and unique projects to bring awareness to the community's housing needs and the Women Build project, and of course, we will socialize and have fun!!!

And don't think we want you to sit around a table with us until next year's Women Build- you will have plenty of opportunities to build leading up to it! We plan to be an active leadership team. Get a room full of women together, and the possibilities are endless! We know this is a commitment- so you will see on this form- where you can choose undecided- if you need time to think about this.

The Women Build Leadership Team will meet monthly. The first meeting is scheduled for **Thursday, August 6<sup>th</sup> at 6:30pm** at Sunfire Grill and Bistro (1090 Sam Rittenberg Blvd) in West Ashley. It's Ladies Night at Sunfire Grill! Be sure to invite other friends who may be interested in being a part of this project as well!

We really appreciate your interest in Charleston Habitat for Humanity's Women Build project.

*Please complete the information below and send back to Charleston Habitat for Humanity in the enclosed envelope.*

I would like to be involved with the 2010 Women Build Leadership Team.

Yes  No  Undecided
