SQUARE FOOT OF
A HABITAT HOME
IN CHARLESTON.

Your donated square foot (or more, if you would like), added to the square feet donated by each of your neighbors, your co-workers, or your family will help us build a simple, decent, and affordable home for a qualified partner family.

**BB&T sponsored over
90 square feet of the
Nelsons Home!**

**What is Charleston Habitat for
Humanity (CHFH)?**

CHFH, a locally run affiliate of Habitat for Humanity International, is a nonprofit, ecumenical Christian housing ministry that seeks to end poverty and substandard housing in Charleston and North Charleston by providing affordable homeownership opportunities to local, working, and qualified partner families. We provide an opportunity for people to put their faith and love into action, bringing diverse groups of people from all walks of life together to make affordable housing and better communities a reality for everyone.

Building Hope with Charleston Habitat For Humanity (CHFH)

It costs **\$54.16 per square foot** for us to build a simple, decent, and affordable home using volunteer labor and donated materials. The average home size is 1,200 square feet, so we need each foot donated to allow us to partner and build a home with a family in need.

Join with your family, friends, co-workers, neighbors, and members of your faith community or civic group to donate the cost of one or more square feet of a CHFH home. Businesses and faith communities can sponsor an entire room! To sponsor an average-sized room of 10'x12' would take \$6,500.

You can even sign your name to a square foot of the sub floor during construction. Your contribution will be a part of this house in many different ways. Not to mention your donation is tax deductible.

Please consider helping us build more homes and more hope, for more families in our community...one square foot at a time!

Team Build Package

***sponsor a room**
(Av. cost is \$6,500 for a 10'x12' room)

***volunteer as a team to help build for a day**

- You will be featured in our next newsletter (also a great way for you to highlight your business or group's contribution to the community).
- It's an excellent team building opportunity—each team member will sign the subfloor of your sponsored room.
- Join our green initiative as all our homes are Energy Star rated and soon to be EarthCraft certified.
- Join the worldwide partnership to make affordable housing and better communities a reality for everyone. For every house built by CHFH in Charleston and North Charleston, a title is given for a house to be built by our international partner affiliate in La Ceiba, Honduras!
